

Brilliant _Wall - ceiling lamp

The Brilliant wall/ceiling lamp uses the same cylindrical polycarbonate diffuser as the collection, offering 360° illumination in a compact and linear profile. The die-cast aluminum body is painted in white, black, gold, or polished chrome. The LED source is TRIAC dimmable and available in 2200 K, 2700 K, and 3000 K. The lamp is offered in two lengths and can be installed horizontally or vertically, providing great flexibility in composition. The protection rating is IP20 and installation requires direct mains connection. Thanks to its versatility and minimal profile, the wall/ceiling version is suitable for corridors, stairwells, hotel rooms, wellness areas, and retail spaces, delivering continuous and uniform lighting with minimal visual impact.

- LED
- dimmable
- IP20
